Coopersburg's
Annual Celebration of
"Small Town America"

April 2025

Dear Community Partner and Business Leader,

The Coopersburg Community Day Organizing Committee is looking forward to another amazing event this year! As most of you know, our mission is to organize a free, community driven event whose sole purpose is to provide a venue for our community organizations to raise funds to sustain their own unique and important missions. Our community's non-profit organizations rely heavily on this event and, in some cases, Community Day is their biggest fundraising event of the year. We are extremely proud to be able to bring this event to the public since 1992. None of this could be possible without the continued support from you, our local businesses. We are extremely grateful for your continued support and we're proud to report that not only does the event continue to achieve it's core mission of providing a venue to support our local community organizations, but that it continues to grow! The organizing committee has been working behind the scenes for years to make improvements to the event so we're able to showcase you, our local businesses, and to also nourish and grow the enthusiasm that started in 1992 and continues to this day. Again, we're looking forward to another amazing event and we look forward to working with you.

Descriptions of the various donor levels and their benefits are enclosed. We would be grateful to receive your completed registration form and donation, made payable to the Coopersburg Historical Society, by August 31, 2025. Checks can be mailed to P.O. Box 70, Coopersburg, PA 18036, or feel free to use the PayPal QR code found on the registration form below to make your donation.

With sincere appreciation,

Sharon Porter and Ben Craig
